

Payment Plan Actions

Last Modified on 01/08/2025 6:16 pm EST

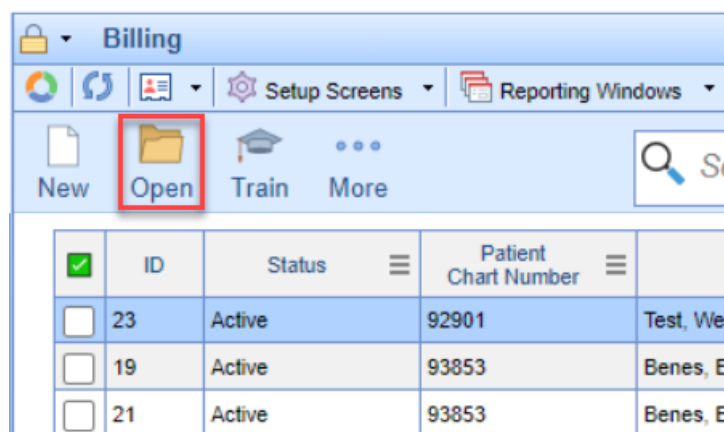

Once you have set up a payment plan, you may find that some edits or updates need to be made to the existing plan. There are various actions you can perform on the existing payment plans from the [Payment Plan Details Screen](#).

Payment Plan Actions

1. To perform additional actions on an existing payment plan, navigate to the **Payment Plan** window within the Billing portal.

2. From the Payment Plan window, highlight the desired payment plan and click "Open." Alternatively, you can simply double-click on the desired payment plan from the list to open it.

3. Within the payment plan **Detail Actions**, select the desired action from the available options.

3. Click **Save**.

Defer a Payment Plan

You can choose to delay/defer a payment until a future date by selecting this option. When a user clicks **Deferment** within the **Detail Actions** in the **Payment Plan Details Screen**, the following takes place:

1. The Defer Payment Plan screen comes up.
2. Select a new deferment date (new date for the payment) from the dropdown list.

Please note that any existing deferments will be removed.

3. **Optional:** Add any additional periods (# of additional installments to extend the timeframe).

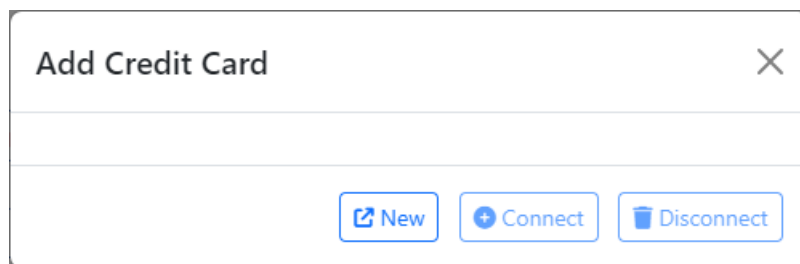

The image shows a dialog box titled "Defer Payment Plan" with a close button (X) in the top right corner. The main text reads: "Select a new deferment date from the list below. Note: Any deferments already in existence will be removed." Below this is a label "Deferment Date:" followed by a dropdown menu showing "11/03/202" with a downward arrow. Further down, it says: "Additional periods can be added to the deferment list by modifying the value below." This is followed by a label "Additional Periods:" and a text input field containing a hash symbol "#". At the bottom of the dialog are two buttons: "Save" with a checkmark icon and "Close" with a plus icon.

4. Click **Save**.

Adding a Credit Card to a Payment Plan

You can save a new or existing patient credit card and associate it with the payment plan for recurring and manual processing by selecting this option. When a user clicks **Add Card** within the **Detail Actions** in the **Payment Plan Details Screen**, the following takes place:

1. The Add Credit Card screen comes up.
2. Select new to add a new credit card, or select an existing card to connect/link to the payment plan (this is the same as the existing process of saving a patient credit card).

The image shows a dialog box titled "Add Credit Card" with a close button (X) in the top right corner. The main area is empty. At the bottom of the dialog are three buttons: "New" with a plus icon, "Connect" with a plus icon, and "Disconnect" with a trash can icon.
