Company Setting: Disable "Create Receipt" on Credit Card Payment Methods

Last Modified on 10/07/2026 3:23 pm EDT

The "***Disable Create Receipt on Credit Card Payment Methods***" company setting allows a practice to disables the **Create Receipt** button in the **Quick Pay** window whenever a Payment Method with the Credit indicator flag is selected. When enabled, the Create Receipt button will be disabled specifically for payment methods flagged as Credits, helping guide users toward the correct payment action.

Default Value: Off (not checked)

Options:

- Off (not checked) - The **Create Receipt** button in the **Quick Pay** window remains enabled whenever a Payment Method with the Credit indicator flag is selected.
- On (checked) - The **Create Receipt** button in the **Quick Pay** window is disabled whenever a Payment Method with the Credit indicator flag is selected.
